

GATED ASSURANCE REVIEWS

WHAT ARE THEY?

A gated assurance review is an independent appraisal of your initiative

Presents a transparent view of the current state of the initiative

Strategic in nature and forward looking

Provides actionable, practical recommendations to help a project succeed

Supports good decision making

Increases delivery certainty

Mandated for ICT and ICT-enabled initiatives

NOT an audit or a health check

Gated assurance review exceeded the expectations of:

Education

Housing and Public Works

Justice and Attorney-General

Queensland Health

Science, IT and Innovation

Transport and Main Roads
